Program: None

Adjournment

Grizzly Triathlon and YMCA Riverbank Runs

Signup to volunteer for these two events. Hellgate ARC members provide for public service and emergency radio communications for hundreds of runners, bikers and swimmers. Some members even compete in these events.

Club members will be located at strategic locations along the routes. Both events usually finished by early afternoon and then we normally get together for burgers at club expense. Those helping can give the HARC event coordinator their choice for the after-event get together. These are good activities to get involved with if you haven't participated in any of these events in the past.

7QP

This is a great way to get your feet wet in HF operating in general and contesting in particular. The stations of the US 7th call area (Arizona, Idaho, Montana, Nevada, Oregon, Utah, Washington, Wyoming) become "the pursued", and the rest of the US, Canada, and the world tries to work as many of us, on as many bands/modes as possible, over an 18-hour period commencing at 6:00am Pacific Time (1300 UTC).

In the 2015 7QP, nearly 1200 stations in the 7th call area participated, and more than 6500 stations from elsewhere, including stations from more than 80 countries.
